Overview:

The Global Congress on Physical Medicine and Rehabilitation (GCPR 2026) is a leading international event focused on advancing physical medicine, rehabilitation, physiotherapy, and patient-centered care. Scheduled for August 27-29, 2026, in London, UK, this hybrid conference allows participants to attend in person or virtually, bringing together physicians, physiotherapists, occupational therapists, rehabilitation specialists, researchers, and healthcare professionals from across the globe.

Call for Papers

Participants are invited to share their research and findings by submitting abstracts for consideration in the scientific sessions. A standardized template for submissions can be found on the "Abstract Submission" page of the conference website. All accepted abstracts will be featured in the extended abstract book, which will be accessible online and distributed at the conference.
